Cassandra M. Payton has more than five years of experience successfully guiding clients through a variety of estate-related legal processes and court proceedings, ranging from simple estate plans to complex real estate and trust litigation. Her practice focuses primarily in the areas of probate, guardianship, estate planning, trust litigation, fiduciary litigation, property disputes, real estate transactions, and real estate litigation. Cassandra obtained her Juris Doctorate from Regent University School of Law in Virginia Beach, Virginia, where she served on the University's Moot Court board and served the Law School as student chaplain. Cassandra is a member of the national Christian Legal Society and attends Oaks Church in Red Oak, Texas with her family.
